FRIDAY EVENIL JANUALY 2.

DREW THE LINE AT TIGHTS -MISS Isabelle Hastings, the daughter of a promineut Omaha citizen, was possessed of a longing for the stage, which must have grown into an unconquerable desire, for last Tuesday she requested a situation with E. A. Stevens, manager of the Pearl of Pekin Company. Although the you glady conlight fairy she was engaged.

Oa Wednesday evening the fun began, says the St. Lucie Republic. Mr. Stevens to d her that she had been assigned a place among the cherur of French maids, and that she was to wear tights. Miss Hast-ings was horr fied, but at that time bowed her head in silence and went back to her room at the St. Charles Hotel to meditate. On going to the theater that evening she told Mr. Stevens that she could not appear

in tights.
"Oan't, eb?" ejaculated the maneger in smaz-ment. "And why not, pray?"
"Welsir," rezponded the pratty Omeha maiden, 'if you think I'm going to stand in tights before every baid-headed man in Missouri for \$6 a week and rei road fare you're mistaken. I never have worn tighte, sacrifice my modesty I would never have joined." and if I had known you expected me to

"Miss Hastings" replied the manager, 'I fear you are not of this earth. This evening you may wear a Chinese skirt so long that it may trip you. To-morrow you may return to the privacy of your boudoir in Omahe, and I am sorry to say you will have to pay your own railroad fare."

Miss Hastings appeared in the Chinese costume that night, telegraphed for money and went to her home in modest Omaha.

CHILDHOO

When an infant my body broke out all over with an eruption or rash, which became more aggravated as I which became more aggravated as I grew older. Every noted physician in our section was tried or consulted. When I came of age I visited Hot Springs, Ark., and was treated by the best medical men, but was not benefited. When all things had failed I determined to try S. S. S., and in four months was entirely cured. The terrible Eczema was all gone, not a sign left; my general health built up, and I have never had any feturn of the disease.
